All bookings include my PA and travel of 35 miles radius from Maidstone, Kent.  
On the day I will arrive with plenty of time to set up and then play a mixture of original and cover songs,  
providing a vibrant, entertaining set for you and your guests

I am more than happy to learn brand new covers for the day to help make my performance that little bit more  
personal to you and your family, and am also able to make recordings of those very songs for you to keep as a  
memento, just ask. (Up to 5 new covers per booking)

The above prices can be added together if you would like me to perform during multiple parts of the day and I  
am happy to work with you on a bespoke quote for this. If you have a set budget then I will do everything I can  
to work within it.
